

Letter of Association

Respected Sir/Madam,

We, the team of Masterplan 2014 which is the Flagship International Business Plan contest of Confluence IIM Ahmedabad, are glad to associate with Nurture Talent Academy as our Knowledge Partner. Nurture Talent is authorized to conduct entrepreneurship training workshops during July 2014 - October 2014 at leading campuses in association with Masterplan, Confluence 2014. The objective of these zonal entrepreneurship workshops is to encourage students to participate in our business plan competition as well as make them aware about entrepreneurship opportunities, technology innovations, and teach them some key skills for starting a venture.

Nurture Talent Academy has been associated with Confluence, IIM Ahmedabad for the second year now and the feedback from the previous year states that these workshops were effective in bringing out the entrepreneurial spirit of the participants. We highly recommend that your students take part in these workshops and gain the best from the highly talented team of Mr. Amit Grover and his team.

We look forward to your continuous support and hope for a long lasting relationship.

Thanking you.
